we know
WE CAN DELIVER...

OUR COMPANY

Nasa Transport Corp., Ltd. was founded in

January 09, 1990 as a registered freight forwarding company. More than 25 years of experience in managing import/export logistics operations including customs brokerage, transportation and freight forwarding in both **Thailand and oversea country**.

We had gained some well-known clients that brought prestige to our company, and until we had established **Nasco Shipping Co., Ltd.** in 1992 as a registered customs broker company. Our in-house customs operation led by a wealth experienced managers who has more than 20 years experience with Thai Customs Department, the team also included 5 certified customs broker specialists on duty. Currently, we employ more than 70 staffs. We also implemented IT infrastructure to help support reporting and track/trace system for customer's convenience.

GLOBAL TRADE

Nasa Transport Corp., Ltd. is an independent Thai freight forwarder with the added benefit of working within an expansive network of similar specialist companies around the globe.

Our company is one of the aggressive and active **WWPC** agents in Thailand with a trusted and service oriented organization. We have been the member of TIFFA and Thai Chamber of Commerce, also, we are fully licensed of Multimodal Transport Operator (MTO), Thai Licensed Customs Broker Association #116, NVOCC (Non-Vessel Operating Common Carrier), AEO (Authorized Economic Operator), and have been Certified ISO 9001:2008 by TUV Nord since 1999.

EXCELLENCE IN Worldwide cargo service

INTERNATIONAL SEA & AIR FREIGHT FORWARDING

We provide both sea freight service (LCL and FCL) and air freight service covering all continents. With our wide connection with the shipping lines and air lines, we are able to provide various sailing schedules and competitive rate for both import and export shipments.

CUSTOMS CLEARANCE AND PRIVILEGED

As a licensed customs broker, our company is equipped with the latest electronic system link with Thai customs house department, the e-import and e-export, the paperless system of cargo clearance. We focus on compliance to help reduce the delay in clearance and cost associated with non-compliance to customs regulation. With an AEO license, it is guaranteed high standard in our customs brokerage service. Moreover, we also provide the privileged consultant service such as applying BOI, applying free zone, duty refund, re-export, and re-import. This enable customers to save cost in their business.

Total Logistics Solutions

EXCELLENCE IN Worldwide cargo service
